

## CJCLS Executive Committee Activity Report, 1<sup>st</sup> Quarter 2005

The CJCLS Executive Committee has met via email during the first quarter of 2005. 2 programs are tentatively planned for the fall, 2005 conference.

- A follow – up to the program at last year’s conference on the e-procurement system put in place by State Purchasing Office and the implications of this for vendors and community college library staff and administrators.
- A program on new instructional technologies, such as the use of Smartboards and flash drives.

The next face-to-face meeting of the CJCLS Executive Committee will be on Friday, 4/30.

Respectfully submitted,  
Keith Burkhead, Chair, CJCLS Executive Committee
