

NCLA CJCLS Report  
for April 10, 2008 NCLA Executive Board Meeting

The Officers of the Community and Junior College Libraries Section of the North Carolina Library Association communicated by e-mail during the first quarter of 2008. These e-mails focused on the invitation from the College and University Section to cosponsor a library instruction conference in the fall of 2008. The C&U section has already done much of the initial planning. All of the officers of the CJCLS agreed that this is something in which they would like to participate.

On March 19, 2008, Janice Pope, CJCLS chair, joined the College and University section officers and planning committee at a meeting at Meredith College. What plans had already been made, what needed to be done, and how the CJCLS officers could contribute were discussed.

Janice Pope e-mailed the CJCLS officers after this meeting to let them know what had taken place and to ask them to volunteer for specific committees for conference planning.

Respectfully submitted,  
Janice Pope, Chair
