

## **NCLA College & University Report for October 2006**

The College & University Section will be sponsoring a Scholarly Communications workshop on February 2<sup>nd</sup>, 2007, on the campus of UNC-Greensboro. This workshop has two purposes: to introduce topics related to scholarly communications to librarians who may not have previously had a chance to learn about them, and to provide a forum for librarians to find out what others in the state are doing about issues like institutional repositories and authors' rights.

A flyer and application form will be forthcoming in the very near future. Co-chairs for the workshop are Betty Garrison (Elon University) and Joseph Thomas (ECU).

Respectfully submitted,

Tommy Nixon,  
Chair, NCLA College & University Section
