

NCLA College & University Report for January 2007

The College & University Section will be sponsoring a workshop titled *State of the State: Scholarly Communication in North Carolina* on February 2nd, 2007, at the Elliott University Center on the campus of UNC-Greensboro. This workshop has two purposes: to introduce topics related to scholarly communications to librarians who may not have previously had a chance to learn about them, and to provide a forum for librarians to find out what others in the state are doing about issues like institutional repositories and authors' rights.

A flyer for the workshop is available on the NCLA website. Co-chairs for the workshop are Betty Garrison (Elon University) and Joseph Thomas (ECU).

In a somewhat related issue, the chair of CUS would like to propose that NCLA create an Inclement Weather Cancellation policy with respect to its conferences & workshops.

Respectfully submitted,

Tommy Nixon,
Chair, NCLA College & University Section
