Chair: Betty Garrison

The College and University section board has met twice, on December 27, 2007 and January 23, 2008, since the NCLA conference in November.

CUS is planning a 2-day library instruction conference to be held in November 2008. The first day will be a pre-conference on instruction best practices, and library instruction basics, both beginner and advanced. The following day will include individual programs, panel discussions, poster sessions, and a keynote speaker. Conference locations are still being sought.
