

Constitution, Codes and Handbook Committee
Report to the NCLA Board
July 21, 2006

The NCLA Handbook has been updated as of July 10, 2006. The Administrative Assistant's Manual was removed from the NCLA Handbook. There are several standing committees that do not have charges including operations, nominating, and web committees. I am looking into developing a privacy policy for NCLA. If you have any information on the items above please send it to me at bwynn@uncfsu.edu.
