

NCLA Literacy Roundtable Report for July 2006

The Literacy Roundtable will meet on Aug. 7, 2006 in Greensboro to work on its goals for the biennial. One area the roundtable is considering at this meeting is a possible collaboration with NCLA (North Carolina Literacy Association) to co-sponsor a program and/or to organize literacy training programs in various regions of the state.

Respectively submitted,

Betty Meehan-Black
Chair, NCLA Literacy Roundtable
