

Public Library Section
Report to the North Carolina Library Association
Executive Board Meeting
April 10, 2008

The Section has not met since the last Executive Board meeting. We have a meeting scheduled for April 25, 2008 at the Central Library in Durham.

At our last meeting we made a few changes in our committee structure that have been put into place since that meeting by assigning new committee chairs. The following changes have been made:

- The Audio Visual and Technical Services Committees have merged, creating the new Collection Management Committee.
- The Genealogy Committee was renamed the Genealogy and Local History Committee to expand the scope of that Committee.
- The Reference Committee was expanded to include Adult Services and Outreach Services.
- A brand new committee, Marketing, was formed.

We are waiting to make the bylaws changes discussed at the last meeting of the Executive Board until we hear the results of the research that was being done on the Public Library Certification Commission issue.

Respectfully submitted:
Mary McAfee
Chair, Public Library Section
