

An SCRT Board meeting was held in Old Salem, NC on August 25, 2006 from 10-11:30. Members present were Katie Schlee, Dale Sauter, Katie Nash, Suzanne Wise, and Joan Ferguson.

The members discussed expanding SCRT membership.

Joan will head a membership recruiting group in order to increase membership. Adina Riggins from UNC Wilmington is interested in helping in this area.

We also discussed how to increase membership in relation to SNCA. Joint membership was brought up as a possibility, but will need to be discussed further with administration of NCLA for financial purposes.

We also discussed the idea of members contributing to the website information regarding “interesting and unique” collections that are housed in various places across the state that many people may not know exists. The project would be similar to the NC-ECHO website. We are looking for an individual who will be a “scout” to find other unique and hidden collections around the state to post on the RTSC website. If anyone has someone in mind, please let us know.

Matt will be updating SCRT webpage in the near future.

Conferences were discussed.

The decision was made to not have an off-season conference.

Regarding the Fall 2007 conference, we had discussions of various possibilities and they are currently being investigated. Also, SNCA will be contacted in regards to another program during the NCLA 2007 meeting—possibly offering “boot-camp” as a pre-conference program.
