

RTSWL Report to NCLA Executive Board
October 20, 2006

The RTSWL Board met on September 8, 2006 at the Davie County Public Library. We will sponsor a luncheon event at the Biennial Conference with Sharyn McCrumb as a speaker.

We discussed our proposed name change. It will first need to go to the membership so we will do that at either the Biennial Conference or at our off-year workshop.

We discussed an off-year workshop and decided to focus on gender and communication. On October 2, 2006 we met at UNCG with Dr. Jody Natalie, a faculty member in UNCG's Department of Communication who researches and provides training on this topic. We don't have a title yet but will sponsor a workshop on February 9, 2007 at the Davie County Public Library on this topic.

Kathryn M. Crowe, Chair
