(Name of Applicant)

(Address of Applicant)

The individual named above has applied for one of the scholarships administered by NCLA for studies in Library Science. This scholarship will be awarded to an individual who has an undergraduate degree, for initial or continued study in Library Science. The major factors considered in making the awards are: academic excellence, leadership and/or commitment to service, evidence of a commitment to a career in librarianship in North Carolina, and financial need.

The applicant above has given your name as a reference. Your acquaintance with this applicant will enable you to assist the NCLA Scholarships Committee in considering his or her qualifications to receive this scholarship.

Give us your opinion of the applicant's qualifications by answering the question below.

Please type or print using black ink.

1. Is the applicant the type of person you would like to have as a librarian in your community, college, or school? Yes_____ No_____

2. How would you rate the applicant's capacity for becoming a leader or making important contributions to library science: (Check one below.)

() Superior (Is likely to make outstanding original contribution to librarianship and/or has the capacity to become a leader in the field.)

() Above Average (Definitely has above average ability and will make important contributions to the field of librarianship and/or be an excellent supervisor.)

() Average (Will be a competent librarian without making any original contributions and may be a satisfactory supervisor.)

() Fair (Has little imagination, is likely to perform satisfactorily under supervision, but does not have the potential to be a supervisor.)
