Government Resources Section Report

We are pleased to welcome a new Website Administrator:
Jennifer L. Smith
Serials/Documents Assistant
Elon University

We want to thank Mike Van Fossen at UNC for his many years of dedicated work on the Government Resources Section web site. He's spent a lot of time converting documents into web usable formats and also managed sending out notices to our members. He's helping Jennifer get the information from the old site to the new NCLA website and we greatly appreciate his expertise.

Our Program Committee, headed by Lynda Kellam, is setting up a full-day workshop for SimplyMap training. According to Steven at Geographic Research, Inc. SimplyMap will be changing significantly in the fall. Lynda's arranged for a SimplyMap trainer to come on November 12th, the rest of the details will be sent out in August. Can we put this on the NCLA Calendar to hold the date and then add details later?

Our Secretary/Treasurer, Jennifer Behrens, has designed a bookmark to publicize our Section. She was waiting on the new URL and it should be going to the printer soon.

Our Section has benefited from the information about memberships. There were several people who did not realize their membership had expired and they have renewed promptly. I hope the effort continues to let the Sections know if there are members who drop out or haven't renewed for a while.

Respectfully submitted,
Mimi Curlee
Chairperson, GRS
