Only use the supplied NOOK power adapter. Other power adapters might damage your battery and NOOK.

To charge your NOOK using the power adapter:

- 1 Assemble the power adapter and USB cable. Insert the large end of the USB cable into the matching receptacle on the power adapter.
- 2 Plug the NOOK end of the USB cable into your NOOK.
- 3 Plug the power adapter into a compatible electrical outlet. If your NOOK was off, it turns on. Do not turn it off again. Your NOOK charges.
- 4 When charging, the charging indicator light to the left of the USB port lights up yellow.
- 5 When your NOOK is fully charged, the charging indicator light goes out.
- 6 Unplug the power adapter from the electrical outlet and unplug the USB cable from your NOOK.
