Paper Challenges

Pick up a challenge each day from your library and fill it out

Monday

To kick off the 5 day challenge, tell us what you use the library for.

Tuesday

We've all got a story to tell. Share it with us! Tell us a story about how a librarian has helped you or influenced your life.

Wednesday

Romance, mystery, fantasy, magazines, graphic novels – it's all fair game. Let us know what you're reading. Not a big reader? Then tell us what technology you use at the library.

Thursday

Tell us a few of your favorite things...about the library. Don't have a favorite thing? Just let us know why you like it.

Friday

It's the final day and SURPRISE, you've been gifted a library genie. Anything you want for your library is yours. What do you wish for?
